### LOCAL PARKS POTENTIAL

Most convenient and walkable third spaces from people's homes

### CURRENT ISSUES

Lack of investment in local parks  
Limited to event of less than 25 people  
Does not encourage community events  
Does not consider community needs

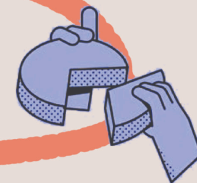

### OUR PLAN IS TO

Activate local parks to be community hubs that responds to local community needs

### BY ENHANCING

Physical Infrastructure  
Temporary structures  
Social Infrastructure  
Spaces for meeting others

### OUR ROLE

Engaging Communities  
Building Collaborative Networks  
Organizing Local Partners  
Finding funding for design projects

### THROUGH OUR SPACE WE HOPE TO SEE

Increased use of local parks  
Enhanced interactions between intergenerational users.  
A strong sense of pride and identity  
More connected neighborhoods with informal ties among residents  
Supporting local artists
